

Statement of Deficiencies

713.A.: Office of Public Health, State Fire, City Fire Approval

Not Met

713.A.: Annual licensing inspections by the department, current approvals by the Office of Public Health, Office of State Fire Marshal, and city fire (if applicable), and academic approval by the department (if type III center) shall be required before the expiration of an existing license. However, if a center has documentation establishing that the center requested an inspection by the Office of Public Health or the Office of State Fire Marshal prior to the expiration of the existing license, these approvals may be submitted to the department within 90 calendar days of the date of the license renewal.

Finding:

713.A. Based on record review on 3/21/19, S1 lacked documentation of a current approval from the department for an Academic Approval. S1 stated that she applied on 2/21/19.

1725.A.-C.: Medication Management Training

Not Met

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

Finding:

1725.A.-C. Based on record review on 3/21/19, S1 did not have at least two staff members trained in medication administration whether the early learning center administers medication or not. S1's training expired on June 7, 2018. S4's expired on September 7, 2018.
