

Statement of Deficiencies

1507-A: Daily Attendance Records - Children

Not Met

1507-A: A daily attendance record for children shall be maintained that shall:

1. include the child's first and last name, arrival and departure times, and first and last name of person or entity to whom the child is released;
2. accurately reflect children on the center premises at any given time; and
3. be used to sign in and out if a child leaves and returns to the center during the day.

Finding:

1507-A Based on record review/observations: The center's daily attendance record for children did not accurately reflect the children on the child care premises at any given time as at time of Specialist arrival on March 22, 2017, 35 children were present and 41 children were signed in on the log. S1 stated that some children had left for school. Center corrected prior to Specialist departure.

1507-E: Daily Attendance Records - Visitors

Not Met

1507-E: A daily attendance record for all visitors to include the name, date of visit, arrival and departure times, and the purpose of the visit.

Finding:

1507-E Based on observations: The Provider did not maintain documentation of a daily attendance record for Visitor's to include first and last name, date of visit, arrival and departure times, and purpose of the visit as evidenced by on March 22, 2017, Specialist observed O1 present in the facility and not signed in.

1509-A.9: Electronic Devices Policy

Not Met

1509-A.9: Electronic Devices Policy that provides that all activities involving electronic devices, including but not limited to television, movies, games, videos, computers and hand held electronic devices, shall adhere to the following limitations:

- a. Electronic device activities for children under age two are prohibited; and
- b. Time allowed for electronic device activities for children ages 2 and above shall not exceed 2 hours per day.

Finding:

1509-A.9 Based on record review/interview(s): The Provider did not have a written Electronic Devices Policy that provides that all activities involving electronic devices, including but not limited to television, movies, games, videos, computers and hand held electronic devices, are prohibited for children under are two and time allowed for electronic device activities for children ages two and above shall not exceed 2 hours per day. S1 stated she will compose a policy for review.

1509-A.10: Computer Practices Policy

Not Met

1509-A.10: Computer Practices Policy that requires computers that allow internet access by children to be equipped with monitoring or filtering software that limits access by children to inappropriate web sites, e-mail, and instant messaging.

Finding:

1509-A.10 Based on record review/interview(s): The Provider did not have a written Computer Practices Policy that requires computers that allow internet access by children to be equipped with monitoring or filtering software that limits access by children to inappropriate web sites, e-mail, and instant messaging. S1 stated she will compose a policy for review.

1509-A.11: Programs, Movies and Video Games Policy

Not Met

1509-A.11: Programs, Movies and Video Games Policy

- a. Programs, movies, and video games with violent or adult content, including but not limited to soap operas, television news, and sports programs aimed at audiences other than children, shall not be permitted in the presence of children.
- b. All television, video, DVD, or other programming shall be suitable for the youngest child present.
- c. "PG" programming or its television equivalent shall not be shown to children under age 5.
- d. "PG" programming shall only be viewed by children age 5 and above and shall require written parental authorization.
- e. Any programming with a rating more restrictive than "PG" is prohibited.
- f. All video games shall be suitable for the youngest child with access to the games.
 - i. "E10+" rated games shall be permitted for children ages 10 years and older.
 - ii. "T" and "M" rated games are prohibited.

Finding:

Statement of Deficiencies

1509-A.11 Based on record review/interview(s): The Provider did not have a Programs, Movies and Video Games Policy requiring: Programs, movies, and video games with violent or adult content, including but not limited to soap operas, television news, and sports programs aimed at audiences other than children, shall not be permitted in the presence of children. All television, video, DVD, or other programming shall be suitable for the youngest child present. PG programming or its television equivalent shall not be shown to children under age 5. PG programming shall only be viewed by children age 5 and above and shall require written parental authorization. Any programming with a rating more restrictive than PG is prohibited. All video games shall be suitable for the youngest child with access to the games. E10+ rated games shall be permitted for children ages 10 years and older. T and M rated games are prohibited. S1 stated she will compose a policy for review.

1703.B: Visitors - CBC/Accompanied

Not Met

1703.B: An early learning center shall obtain documentation of a satisfactory fingerprint based CBC for each visitor or independent contractor of any kind, prior to the person being present at the center or performing services for the center UNLESS the visitor or independent contractor WILL BE accompanied at all times while on the center premises by an adult, paid, staff member who is not being counted in child to staff ratios, and the center shall have copies of said documentation on-site at all times and available for inspection upon request by the Licensing Division.

1. Documentation of the paid, adult staff member not otherwise counted in child to staff ratios who accompanied a visitor or independent contractor at all times while the visitor or contractor was on the center premises shall include the date, arrival and departure time of the visitor or contractor, language stating that the visit or contractor was accompanied by the staff member at all times while on the premises, and the signature of both the contractor and the accompanying staff member.

Finding:

1703.B Based on observations: A satisfactory fingerprint based CBC was not obtained for each visitor, prior to the person being present at the center or performing services as evidenced by: Specialist observed O1 working in the facility without staff accompaniment and the center failed to have documentation of a CBC on file for O1. Specialist discussed the need for O1 to be accompanied by staff with S1. S1 directed S2 to accompany O1 until he left the facility.

1715-A.5: State Central Registry

Not Met

1715-A.5: Staff Members. Personnel files for each staff member shall be maintained at the center and shall include the following: documentation of a current, completed state central registry disclosure form indicating no justified (valid) finding of abuse or neglect by the DCFS, or a current determination from the DCFS indicating that the individual does not pose a risk to children.

Finding:

1715-A.5 Based on record review: Provider failed to have documentation of a completed state central registry disclosure form (SCR 1) on site and available for review at the center prior to a previously completed form expiring (1705.B). 5 of 13 staff, S1, S7, S8, S12 and S13 failed to have documentation of the completed form. Provider failed to have documentation of a completed state central registry disclosure form (SCR 1) prior to an individual being present in or providing services to the center on site and available for review at the center (1705.A-B). 1 of 13 staff, S2 failed to have documentation of the completed form as no center representative signed S2's SCR 1 form. Staff were on the premises on March 22, 2017 failed to have documentation of the completed form. Staff were on the premises as observed by the licensing specialist. Provider corrected during licensing inspection.

1723-A.&B.: CPR Certification

Not Met

1723-A.&B.: Infant and child CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR.

Adult CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR.

Finding:

1723-A.&B: Based on record review and observations: The Provider did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in infant and child CPR. 3 of 8 staff had documentation of this certification. The Provider did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in adult CPR. 3 of 8 staff had documentation of this certification. S1 stated that all staff took this course on March 21, 2017; however, the center is awaiting verification of certification.

Statement of Deficiencies

1723-C.-D.: Pediatric First Aid

Not Met

1723-C.-D.: Pediatric First Aid

C. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in Pediatric First Aid.

D. Certification - A copy of the certification for each such staff member shall be on-site at all times and available for inspection by the Licensing Division.

Finding:

1723-C.-D: Based on observation, interview and record review: The Provider did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in Pediatric First Aid. 3 of 8 staff had documentation of this certification. S1 stated that all staff took this course on March 21, 2017; however, the center is awaiting verification of certification.

1911-K: Hand Washing

Not Met

1911-K: Staff and children shall wash their hands using soap at least at the following times: upon arrival at the center, before preparing or serving meals, before giving medication, after playing in water used by more than one person, after toileting, after helping a child use a toilet or changing diapers, after wiping noses or cleaning wounds, after handling pets and other animals, after playing in sandboxes, before eating meals or snacks, upon coming in from outdoors, after cleaning or handling garbage and anytime hands become soiled with body fluids, such as urine, saliva, blood or nasal discharge.

Finding:

1911-K Based on observations: Children did not wash their hands with soap and water as needed. Licensing Specialist observed that children did not wash their hands after coming inside from playing on the play yard and prior to being served snack. Staff did not wash their hands with soap and water as needed. Licensing Specialist observed that staff did not wash their hands after coming inside from the play yard and prior to passing out snacks to children.
