1723-A.&B.: CPR Certification

Not Met

1723-A.&B.: A - Infant and child CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR.

B - Adult CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR.

Finding:

1723 A&B CPR Certification: There was no documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in adult, infant and child CPR. Five of five staff did not have documentation of this certification. According to S1, all five staff members are scheduled to attend a CPR class on 3/24/18.

Not Met

1723-C.-D.:

C. Pediatric First Aid - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in Pediatric First Aid.

D. Certification - A copy of the certification for each such staff member shall be on-site at all times and available for inspection by the Licensing Division.

Finding:

1723-C.-D. Based on record review: There was no documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in Pediatric First Aid. Five of five staff did not have documentation of this certification. According to S1, all five staff members are scheduled to attend a Pediatric First Aid class on 3/24/18.

1907-E.2: Cribs Free of Toys and Other Soft or Loose Bedding

Not Met

1907-E.2: Cribs shall be free of toys and other soft or loose bedding, including comforters, blankets, sheets, bumper pads, pillows, stuffed animals and wedges when the child is in the crib.

Finding:

1907-E.2 Based on observations:

The center's cribs were not free of toys or other soft or loose bedding (including comforters, blankets, sheets, bumper pads, pillows, stuffed animals and wedges) while the child was in the crib as evidenced by two children observed sleeping in cribs with loose blankets. The Licensing Specialist observed during the walk through of the center at approximately 1:00 pm that two children were sleeping in cribs with loose blankets. This was corrected immediately.
