Not Met

1713.A.&B.&C.:

A: Children shall be supervised at all times in the center, on the playground, on field trips, on non-vehicular excursions, and during all water activities and water play activities.

B: Children shall not be left alone in any room, (except the restroom as indicated in Subsection G), outdoors, or in vehicles, even momentarily, without staff present.

C: A staff person shall be assigned to supervise specific children whose names and whereabouts that staff person shall know and with whom the staff person shall be physically present. Staff shall be able to state how many children are in their care at all times.

Finding:

1713.A.&B. Based on observation on 03/22/19, children were not under supervision at all times as S2 was observed exiting her classroom and coming to the doorway of the office across the hall to ask S1 a question. S2 who was assigned to the supervision of five 2 years olds could not see the children from the office as the door (half door) to her classroom was closed. S2 was out of the room for about 30 seconds before returning. S1 did advise S2 that she can not leave the children unsupervised.
