A: Children shall be supervised at all times in the center, on the playground, on field trips, on non-vehicular excursions, and during all water activities and water play activities.

B: Children shall not be left alone in any room, (except the restroom as indicated in Subsection G), outdoors, or in vehicles, even momentarily, without staff present.

C: A staff person shall be assigned to supervise specific children whose names and whereabouts that staff person shall know and with whom the staff person shall be physically present. Staff shall be able to state how many children are in their care at all times.

Finding:

1713.A. Based on interviews/record review: Children were not under supervision at all times as S1 documented on 3/7/19 as S10 was coming inside from playground, she left C1 on playground unsupervised for approximately 5 minutes. O1 noticed C1 was left on the playground when he was leaving the center with C2. O1 went to the classroom and reported to S10 that C1 was on the playground.
