

Statement of Deficiencies

7325.M.1-2: Safety-Approved Crib Requirements

Not Met

7325.M.1-2: A safety-approved crib shall be made available for each infant.

1. Effective December 28, 2012, each crib in use shall meet U.S. Consumer Product Safety Commission (CPSC) requirements for full-size cribs as defined in 16 Code of Federal Regulations (CFR) 1219, or non full-size cribs as defined in 16 CFR 1220.

2. A crib meets the requirements of this section if:

- a. the crib has a tracking label which notes that the crib was manufactured on or after June 28, 2011; or
- b. the provider has a registration card which accompanies the crib and notes that the crib was manufactured on or after June 28, 2011; or
- c. the provider has obtained a Children's Product Certificate (CPC) certifying the crib as meeting requirements for full-size cribs as defined in 16 Code of Federal Regulations (CFR) 1219, or non full-size cribs as defined in 16 CFR 1220.

Finding:

7325.M.1-2 Based on observations, provider failed to have a safety-approved crib available for each infant in care. 4 of 4 cribs being utilized by children as observed by the licensing specialist during the visit did not meet the U.S. Consumer Product Safety Commission (CPSC) requirements for full-size cribs as defined in 16 Code of Federal Regulations (CFR) 1219, and/or non full-size cribs as defined in 16 Code of Federal Regulations (CFR) 1220.

7325-M.3: Non safety-approved cribs on the child care premises

Not Met

7325-M.3: A crib that does not meet the requirements of this Section shall be removed from the child care premises no later than December 27, 2012.

Finding:

7325-M.3 Based on observations, provider failed to remove 6 of 6 cribs from the child care premises that do not meet the U.S. Consumer Product Safety Commission (CPSC) requirements for full-size and/or non-full size cribs by December 27, 2012. Specialist observed four cribs in the infant room which did not meet the CPSC requirements and an additional two cribs in a storage room which did not meet the CPSC requirements.
