

Statement of Deficiencies

1715-A.5: State Central Registry

Not Met

1715-A.5: Personnel files for each staff member shall be maintained at the center and shall include the following: documentation of a current, completed state central registry disclosure form indicating no justified (valid) finding of abuse or neglect by the DCFS, or a current determination from the DCFS indicating that the individual does not pose a risk to children.

Finding:

1715-A.5 Based on record review/interview(s): Provider failed to have documentation of a completed state central registry disclosure form (SCR 1) prior to an individual being present in or providing services to the center on site and available for review at the center(1705.A-B). 2 of 26 staff, S6 and S12 failed to have documentation of the completed form. Staff were on the premises on March 27, 2017 failed to have documentation of the completed form. Staff were on the premises as observed by the licensing specialist. Provider corrected during licensing inspection. S1 stated that each staff completed this form at the time of hire; however, she is unable to locate the forms at this time.

1723-A.&B.: CPR Certification

Not Met

1723-A.&B.: Infant and child CPR

Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR.

Adult CPR

Centers shall have at least one staff member on the premises and accessible to children trained in Adult CPR if there is a child eight years or older on the premises.

Finding:

1723-A.&B.: Based on record review: The Provider did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in infant and child CPR. 2 of 26 staff had documentation of this certification. S1 stated that staff are scheduled to take this training on April 19 and 20, 2017.

1723-C.-D.: Pediatric First Aid

Not Met

1723-C.-D.:

C. Pediatric First Aid - Beginning on July 1, 2016, Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in Pediatric First Aid.

D. Certification - A copy of the certification for each such staff member shall be on-site at all times and available for inspection by the Licensing Division.

Finding:

1723-C.-D. Based on record review: After July 1, 2016 - The Provider did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in Pediatric First Aid. 2 of 26 staff had documentation of this certification. S1 stated that staff are scheduled to take this training on April 19 and 20, 2017.
