

## Statement of Deficiencies

### 1917.B.: Medication Authorization - Required Container/Packaging

Not Met

#### 1917.B.: Required Container/Packaging

1. For prescription medication to be administered at the center, the center shall maintain the original pharmacy container with the complete pharmacy label.
2. For non-prescription medication to be administered, the center shall maintain the original bottle packing for the medicine or a printed document from the manufacturer's website, which shall include the drug name and strength and clear directions for use.

#### Finding:

1917.B. Based on observations:

The prescription medication to be administered to C11 at the center was not in the original pharmacy container with the complete pharmacy label. C11 has an epipen which was not in the original pharmacy container with the complete pharmacy label.

### 1921.A.: Emergency Preparedness and Evacuation Planning

Not Met

1921.A.: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds, including food and formula;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

#### Finding:

1921.A. Based on record review: The emergency and evacuation plan did not include a plan for all potential disasters related to the area. The plan did not include a fire procedure and a tornado procedure. S1 said that the plan provided to the Specialist has been acceptable in the past.

### 1921.C.: Evacuation Pack

Not Met

#### 1921.C.: Evacuation Pack

The center shall have an evacuation pack, the location of which is known to all staff, that at a minimum shall contain:

1. a list of area emergency phone numbers;
2. a list of emergency contact information and emergency medical authorization for all enrolled children;
3. an emergency pick up form;
4. first aid supplies, hand sanitizer, wet wipes, and tissue;
5. diapers for children who are not toilet trained and plastic bags for diapers;
6. a battery powered flashlight and radio and batteries or a crank flashlight and crank radio; and
7. disposable cups and bottled water.

#### Finding:

1921.C. Based on observations: The evacuation pack did not contain the emergency medical authorization for all enrolled children.
