

## Statement of Deficiencies

### 1103-A-E: Critical Incidents and Required Notification

Not Met

1103-A-E: An early learning center shall make immediate notification to emergency personnel, law enforcement as applicable, and other appropriate agencies for the following types of critical incidents involving children in care:

1. death;
  2. serious injury or illness that required medical attention;
  3. reportable infectious diseases and conditions listed in LAC 51.II.105; and
  4. any other significant event relating to the health, safety, or well-being of any child, including but not limited to a lost child, an emergency situation, fire or other structural damage, or closure of the center.
- B. The parent shall be contacted immediately following any immediate notifications made under Subsection A.
- C. The Licensing Division and other appropriate agencies shall be notified via email within 24 hours of the incident.
- D. The Licensing Division shall be notified by written report within 24 hours of the incident or the next business day. This written notification shall be made on the Licensing Division's Critical Incidents Report Form and shall contain all information requested on the form.
- E. Reporting deadlines may be adjusted in the event of a natural catastrophe and/or disaster, as determined by the Department.

#### Finding:

1103-C Based on record review: S1 failed to notify within 24 hours of the incident the Licensing Section and other appropriate agencies of the following critical incident : On 2/14/18, S1 stated C1 was pushed off the table by another child causing her to bump her head. S1 stated O1 informed her on 2/19/18 that she had taken C1 to the emergency room on 2/17/18. S1 completed critical incident report on 3/1/18.

### 1715-A.4: Criminal Background Check

Not Met

1715-A.4: Personnel files for each staff member shall be maintained at the center and shall include the following: documentation of a fingerprint based satisfactory criminal background check

#### Finding:

1715-A.4 Based on record review: S6 provided a copy of their certified criminal background check (RTR), however, the provider failed to obtain a new satisfactory criminal background check from the Louisiana State Police for this staff prior to the one year date of issuance of the previous certified criminal background check in order for the individual to continue employment at the center (1703.E). The criminal background check on file for S6 expired on 1/18/18 and this staff person was present in the licensed child care facility on 4/2/18.

### 1723-A.&B.: CPR Certification

Not Met

1723-A.&B.: A - Infant and child CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR.

B - Adult CPR - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR.

#### Finding:

1723-A.&B: Based on Record/Interviews: The Provider did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in infant and child CPR. 2 of 6 staff had documentation of this certification.

### 1723-C.-D.: Pediatric First Aid

Not Met

1723-C.-D.:

- C. Pediatric First Aid - Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in Pediatric First Aid.
- D. Certification - A copy of the certification for each such staff member shall be on-site at all times and available for inspection by the Licensing Division.

#### Finding:

1723-C.-D. Based on record review/interview(s): The Provider did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in Pediatric First Aid. 2 of 6 staff had documentation of this certification.
