

Statement of Deficiencies

1103.A.-D.: Critical Incidents and Required Notifications

Not Met

1103.A.-D.: An early learning center shall make immediate notification to emergency personnel, law enforcement as applicable, and other appropriate agencies for the following types of critical incidents involving children in care:

1. death;
2. serious injury or illness that required medical attention;
3. reportable infectious diseases and conditions listed in LAC 51.II.105; and
4. any other significant event relating to the health, safety, or well-being of any child, including but not limited to a lost child, an emergency situation, fire or other structural damage, or closure of the center.

B. The parent shall be contacted immediately following any immediate notifications made under Subsection A.

C. The department and other appropriate agencies shall be notified via email within 24 hours of the incident.

D. The department shall be notified by written report within 24 hours of the incident or the next business day. This written notification shall be made on the department's Critical Incidents Report Form and shall contain all information requested on the form.

Finding:

1103.A.-D. Based on record review on 04/02/2019, S1 failed to submit written notification on the Department's Critical Incident Report Form of the following incident: O1 reported to S1 on 03/11/19 that C1 stated that S11 hit her on her arms and hands because she was playing with the blocks. Per record review and interviews, S1 did have verification that she contacted the department via telephone on 03/11/19 but there was no evidence that the form was submitted.
