

## **Statement of Deficiencies**

### **1723.A.&B.: CPR Certification**

**Not Met**

1723.A.&B.: A. Infant and child CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR through training approved by the department.

#### **Finding:**

1723.A.&B. Based on Record Review: S1 failed to have at least fifty percent of staff members on the premises of a center and accessible to children or at least four staff on the premises and accessible to children, trained in infant and child CPR approved by the department. 1 of 9 staff present in center during licensing visit on 4/3/19 had current CPR certification.

### **1723.C.: Pediatric First Aid**

**Not Met**

1723.C.: Pediatric First Aid. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in pediatric first aid through training approved by the department.

#### **Finding:**

1723.C. Based on record review: S1 failed to have at least fifty percent of staff members on the premises of a center and accessible to children or at least four staff on the premises and accessible to children, trained in Pediatric First Aid by the department. 1 of 9 staff present in center during licensing visit on 4/3/19 had current First Aid certification.
