

Statement of Deficiencies

7312-E.1: CPR

Not Met

7312-E.1: A minimum of at least 50 percent of all staff on the premises and accessible to the children at all times shall have documentation of current infant/child/adult certification in CPR. Original cards shall be made available upon request. This training shall be approved by the Department of Social Services prior to acceptance.

Finding:

7312-E.1 Based on record review: The Provider did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children have current approved Infant/Child/Adult certification in CPR. 2 of 5 present on 4/10/14 staff had documentation of this certification. Note: Per provider, the staff who was scheduled to work at the time of the licensing visit was unable to come due to an emergency. This staff has current CPR/PFA per documentation. The provider called in another staff, and per the provider, this staff has current CPR/PFA which the provider stated she is unable to locate. Also, per the staff, she does not have the card or a copy of the card. Corrected during the visit as provider sent one staff home at 10:53am.
