Not Met

1807.C.: C. An early learning center shall obtain a CCCBC-based determination of eligibility for child care purposes from the department for each visitor or independent contractor of any kind, and shall have documentation of said determination available at all times for inspection upon request by the licensing division, unless the visitor or independent contractor, other than therapeutic professionals as defined in §103, will be accompanied at all times while at the center when children are present, by an adult staff member who is not being counted in child-to-staff ratios. The center shall have documentation of said determination of eligibility, or documentation of the accompanying staff member, available at all times for inspection upon request by the Licensing Division.

Finding:

1807-C. Based on record review and interviews on 04/11/2019, the provider failed to obtain a CCCBC-based determination of eligibility for child care purposes from the department for O1 who was on the premises on 03/29/19. The visitor's log showed that O1 was on the premises. There was no evidence that the staff was accompanied by staff not counted in the ratio.
