

Statement of Deficiencies

713.A: Office of Public Health, State Fire, City Fire, Office of Early Childhood approval

Not Met

713.A: Current approvals by the Office of Public Health, Office of State Fire Marshal, City Fire (if applicable), Office of Early Childhood and the Licensing Division shall be required before the expiration of an existing license.

Finding:

713.A Based on record review: S1 lacked documentation of a current annual inspection and approval from State Fire Marshal. The date of the last approval is 1/16/16.

1103-A-E: Critical Incidents and Required Notification

Not Met

1103-A-E: An early learning center shall make immediate notification to emergency personnel, law enforcement as applicable, and other appropriate agencies for the following types of critical incidents involving children in care:

1. death;
 2. serious injury or illness that required medical attention;
 3. reportable infectious diseases and conditions listed in LAC 51.II.105; and
 4. any other significant event relating to the health, safety, or well-being of any child, including but not limited to a lost child, an emergency situation, fire or other structural damage, or closure of the center.
- B. The parent shall be contacted immediately following any immediate notifications made under Subsection A.
- C. The Licensing Division and other appropriate agencies shall be notified via email within 24 hours of the incident.
- D. The Licensing Division shall be notified by written report within 24 hours of the incident or the next business day. This written notification shall be made on the Licensing Division's Critical Incidents Report Form and shall contain all information requested on the form.
- E. Reporting deadlines may be adjusted in the event of a natural catastrophe and/or disaster, as determined by the Department.

Finding:

1103-A-E Based on record review: S1 failed to notify the Division of Licensing by written report within 24 hours of the incident or by the next business day. The written notification shall be made on the Licensing Division's Critical Incidents Report Form and shall contain all information requested on the form. On 1/19/17 at 2:40 pm C5 ran to his seat and bumped into C6. C5 fell on the floor and cut his chin. O1, C5's mother, was notified at 2:45 pm. C5 was taken to the hospital where first aid was administered and the cut on his chin was closed with stitches. S1 failed to notify Licensing of the incident. S1 notified Licensing during the Licensing visit.

1725-A.-D.: Medication Management Training

Not Met

- 1725-A.-D.: A. All staff members who administer medication shall have medication administration training.
- B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.
- C. Such training shall be completed every two years with an approved Child Care Health Consultant.
- D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-D. Based on record review:

S1 did not have at least two staff members trained in medication administration whether the early learning center administers medication or not. The Center does not administer medication. S1 has medication administration training. S2 and S3 are scheduled for a medication administration training class on 5/20/17.
