Statement of Deficiencies

violent or adult content, including but not limited to soap operas, television news, and sports programs aimed at audiences other than children, shall not be permitted in the presence of children. All television, video, DVD, or other programming shall be suitable for the youngest child present. PG programming or its television equivalent shall not be shown to children under age 5. PG programming shall only be viewed by children age 5 and above and shall require written parental authorization. Any programming with a rating more restrictive than PG is prohibited. All video games shall be suitable for the youngest child with access to the games. E10+ rated games shall be permitted for children ages 10 years and older. T and M rated games are prohibited.

1703.B: Visitors - CBC/Accompanied

Not Met

1703.B: An early learning center shall obtain documentation of a satisfactory fingerprint based CBC for each visitor or independent contractor of any kind, prior to the person being present at the center or performing services for the center UNLESS the visitor or independent contractor WILL BE accompanied at all times while on the center premises by an adult, paid, staff member who is not being counted in child to staff ratios, and the center shall have copies of said documentation on-site at all times and available for inspection upon request by the Licensing Division.

1. Documentation of the paid, adult staff member not otherwise counted in child to staff ratios who accompanied a visitor or independent contractor at all times while the visitor or contractor was on the center premises shall include the date, arrival and departure time of the visitor or contractor, language stating that the visit or contractor was accompanied by the staff member at all times while on the premises, and the signature of both the contractor and the accompanying staff member.

Finding:

1703.B Based on interview(s): A satisfactory fingerprint based CBC was not obtained for O1, prior to the person being present at the center or performing services as evidence by: O1 signed in on the visitor log on 4/5/17 and 4/12/17. The Center did not have documentation of the paid, adult staff member not otherwise counted in child to staff ratios who accompanied at all times while they were on the center premises.

1713-E&F: Supervision Participation

Not Met

1713-E&F:

E: While supervising a group of children, staff shall devote their time to supervising the children, meeting the needs of the children, and participating with them in their activities.

F: Staff duties that include cooking, housekeeping or administrative functions shall not interfere with the supervision of children.

Finding:

1713- E-F: Supervision Participation: Based on Observations: While supervising a group of children, childcare staff did not devote their time to supervision of the children, meeting the needs of the children, and in participation with the children in their activities; S9 was observed sitting in rocker on cell phone rocking 1 child, while 3 children were standing in their beds, and 2 children were asleep. S9 could not see children in their beds while sitting in rocker.

1715-A.5: State Central Registry

Not Met

1715-A.5: Personnel files for each staff member shall be maintained at the center and shall include the following: documentation of a current, completed state central registry disclosure form indicating no justified (valid) finding of abuse or neglect by the DCFS, or a current determination from the DCFS indicating that the individual does not pose a risk to children.

Finding:

1715-A.5 Based on record review:

Provider failed to have documentation of a completed state central registry disclosure form (SCR 1) prior to an individual being present in or providing services to the center on site and available for review at the center(1705.A). 1 of 29 staff, S29 staff identifier failed to have documentation of the completed form. Staff were on the premises on 4/13/17 as verified by staff attendance logs.
