

## ***Statement of Deficiencies***

### **1901-G.&H.: Equipment**

**Not Met**

1901-G.&H.: All equipment used by children shall be maintained in a clean and safe condition and in good repair. Moveable equipment shall be secured and supported so that it shall not fall or tip over.

#### **Finding:**

1901-G.&H. Based on observation: All of the center equipment used by children was not maintained in safe condition and in good repair. In the outdoor play area, Specialist observed the pedaling carousel to have one pedal missing on the crankset in 1 of 4 seating positions. This poses a hazard should a child's foot slip off the crankset without a pedal.
