Although children's food was served on individual plates, cups, napkins or paper towels as appropriate and individual utensils, S10 was observed by O1 picking up food off the floor and giving it to C1. As O1 was leaving, she observed C1's pancake fall on the floor and S10 picked up the pancake off the floor and give it to C1. S10 admitted to S1 that she picked up food off the floor and gave it to C1.
