1509-A.8. a-b: Behavior Management Policy

Not Met

1509-A.8. a-b: Behavior Management Policy

Each center shall develop and implement a written behavior management policy describing the methods of behavior guidance and management that shall be used at the center.

The behavior management policy shall prohibit children from being subject to any of the following:

- i. physical or corporal punishment which includes but is not limited to yelling, slapping, spanking, yanking, shaking, pinching, exposure to extreme temperatures or other measures producing physical pain, putting anything in the mouth of a child, requiring a child to exercise, or placing a child in an uncomfortable position.
- ii. verbal abuse, which includes but is not limited to using offensive or profane language, telling a child to "shut up", or making derogatory remarks about children or family members of children in the presence of children;
- iii. the threat of a prohibited action even if there is no intent to follow through with the threat;
- iv. being disciplined by another child;
- v. being bullied by another child;
- vi. being deprived of food or beverages;
- vii. being restrained by devices such as high chairs or feeding tables for disciplinary purposes; and
- viii. having active play time withheld for disciplinary purposes, except timeout may be used during active play time for an infraction incurred during the playtime.

Finding:

1509-A.8. a-b Based on record review:

There was no documentation of a behavior management policy that clearly states ALL types of positive discipline that are used and all methods of discipline that are prohibited.

1509-A.10: Computer Practices Policy

Not Met

1509-A.10: Computer Practices Policy that requires computers that allow internet access by children to be equipped with monitoring or filtering software that limits access by children to inappropriate web sites, e-mail, and instant messaging.

Finding:

1509-A.10 Based on record review:

There was no documentation of a written Computer Practices Policy that requires computers that allow internet access by children to be equipped with monitoring or filtering software that limits access by children to inappropriate web sites, e-mail, and instant messaging.

1915-B.&C: Health Services - Parental Notification

Not Met

1915-B.&C:

B. Reporting. Incidents, injuries, accidents, illnesses, and unusual behavior shall be documented and reported to the parent no later than when the child is released to the parent or authorized representative on the day of the occurrence.

C. Immediate Notification. The parent shall be immediately notified in the following circumstances:

1. blood not contained in an adhesive strip;
2. head or neck or eye injury;
3. human bite that breaks the skin;
4. animal bite;
5. impaled object;
6. broken or dislodged teeth;
7. allergic reaction skin changes (e.g. rash, spots, swelling, etc.);
8. unusual breathing;
9. symptoms of dehydration;
10. temperature reading over 101° oral, 102° rectal, or 100° axillary; or
11. injury or illness requiring professional medical attention.

Finding:

1915 B & C Health Services-Parental Notification: There was no documentation of immediate notification to the parent when the following occurred to a child: On 12/11/17 at 11:30 am, C7 ran into another child and hit his lip. There was no notification of the accident to parent. On 3/22/18 at 12:10 pm, C1 ran and fell bumping her nose. The parent was not immediately notified of the accident. The parent did sign the accident form, but the form does not show the time of the signature.

Statement of Deficiencies

1921-A: Emergency Preparedness and Evacuation Planning

Not Met

1921-A: The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

Finding:

1921-A Based on record review: there was no documentation of an emergency plan that included procedures for: sheltering in place, lock down and evacuation to a pre-determined site. The plan should include a system to account for all children, a system to contact all parents and a system to reunite children and parents.
