1703.B: Visitors - CBC/Accompanied

Not Met

1703.B: An early learning center shall obtain documentation of a satisfactory fingerprint based CBC for each visitor or independent contractor of any kind, prior to the person being present at the center or performing services for the center UNLESS the visitor or independent contractor WILL BE accompanied at all times while on the center premises by an adult, paid, staff member who is not being counted in child to staff ratios, and the center shall have copies of said documentation on-site at all times and available for inspection upon request by the Licensing Division.

1. Documentation of the paid, adult staff member not otherwise counted in child to staff ratios who accompanied a visitor or independent contractor at all times while the visitor or contractor was on the center premises shall include the date, arrival and departure time of the visitor or contractor, language stating that the visit or contractor was accompanied by the staff member at all times while on the premises, and the signature of both the contractor and the accompanying staff member.

Finding:

1703.B Based on observations/record review: The Center did not have documentation of the paid, adult staff member not otherwise counted in child to staff ratios who accompanied visitor (O1) at all times while they were on the center premises. Documentation did not include the date and language stating that they were accompanied by the staff member at all times while on the premises.

1907-A.1-2: High Chairs

Not Met

1907-A.1-2:

1. The high chair manufacturer's restraint device shall be used when children are sitting in a high chair.
2. Children who are either too small or too large to be restrained using the manufacturer's restraint device shall not be placed in a high chair.

Finding:

1907-A.1-2 Based on observations: The high chair manufacturer's restraint device was not used when children are sitting in a high chair. Specialist observed 3 of 3 infants placed in their high chairs at lunch (11:35 a.m.) without the manufacturer's restraint devices secured. Corrected by S1 at the time of observation.
