

Statement of Deficiencies

1725.A.-C.: Medication Management Training

Not Met

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

Finding:

1725.A.-C. Based on record review: Whether the center is administering medication or not, the each early learning center did not have at least two staff members trained in medication administration and at least one on the premises. No staff had documentation of this training.

1901.Q.: The Safety Box

Not Met

1901.Q.: The center shall post a copy of the current The Safety Box newsletter issued by the Louisiana Office of the Attorney General and shall immediately remove from the early learning premises any items listed as recalled.

Finding:

1901.Q. Based on observations: The center did not post a copy of the current The Safety Box newsletter issued by the Louisiana Office of the Attorney General and shall immediately remove from the early learning premises any items listed as recalled.
