

## Statement of Deficiencies

### 1919.A.&B.: Food Service and Nutrition - Menu

Not Met

1919.A.&B.: A. All meals and snacks provided by the center, and their preparation, service and storage, shall meet the requirements for meals of the U. S. Department of Agriculture (USDA) Child and Adult Care Food Program (CACFP), 7 CFR 226.20, and LAC 51:XXIII.

B. The weekly menu shall:

1. be planned for each day of the week and list the specific food items served;
2. be prominently posted by the first day of each week and remain posted throughout the week; and
3. have substitutions or additions posted on or near the menu.

#### Finding:

1919-A.&B. Based on observation/record review: The current weekly menu listing specific food items served for each day of the week was not prominently posted by the first day of each week and remain posted throughout the week. S1 does not post a weekly snack menu. Children are given designated days each month to bring in the snack of their choice.

### 1921.A.: Emergency Preparedness and Evacuation Planning

Not Met

1921.A.: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds, including food and formula;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

#### Finding:

1921.A. Based on record review: S1 failed to conduct and document practice drills at least twice per year. Last emergency practice drill was conducted on 4/11/18.
