

Statement of Deficiencies

1723.A.&B.: CPR Certification - Infant/Child

Not Met

1723.A.&B.: A. Infant and child CPR. All staff members on the premises of a center and accessible to children shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. All staff members on the premises of a center and accessible to children shall have current certification in adult CPR through training approved by the department.

CPR Certification

Finding:

1723. A&B. Based on record review/interview: At approximately 12:18pm, S1 failed to have documentation that all staff on the premises and accessible to the children, have current certification in infant and child CPR through training approved by the department. Two out of thirty-eight staff did not have documentation of this certification. S1 stated she has both of them scheduled CPR training in June 2022.

Corrective Action Plan: Effective 5/3/2022, S1 stated she will start registering staff upon hire for CPR certification if they do not have it already, to ensure compliance with this regulation.

1723.C: Pediatric First Aid

Not Met

1723.C: C. All staff members on the premises of a center and accessible to children shall have current certification in pediatric first aid through training approved by the department.

Finding:

1723.C Based on record review:Based on record review/interview: At approximately 12:18pm, S1 failed to have documentation that all staff on the premises and accessible to the children, have current certification in pediatric first aid through training approved by the department. Two out of thirty-eight staff did not have documentation of this certification. S1 stated she has both of them scheduled PFA training in June 2022.

Corrective Action Plan: Effective 5/3/2022, S1 stated she will start registering staff upon hire for PFA certification if they do not have it already, to ensure compliance with this regulation.
