

Statement of Deficiencies

1501-A: Operations

Not Met

1501-A: A center shall operate within the licensed capacity, age range, hours of operation and other specific services designated on its license.

Finding:

1501-A Based on record review and interview: The provider failed to operate within the licensed specific services designated on its license. During review of providers license, it stated no transportation. However, licensing specialist was informed during annual inspection by the director, S8, that the center provides transportation for field trips only. Licensing specialist was also provided transportation documentation and contract by the director, S8. Licensing specialist reviewed field trip paperwork that indicated the the center has taken field trips during the 2017 calendar school year.
