Finding:

1721-A.-C. Based on record review/interview(s) on 5/7/18: There was no documentation that the center staff of an early learning center, excluding Foster Grandparents, provided opportunities for staff members to obtain a minimum of 12 clock hours of training annually in the topics found in §1719(A) and (B). Copies of certificates of completion or attendance records were not maintained at the center and available for inspection by the Licensing Division upon request, 9 of 13 staff did not have the required continuing education training. This is in addition to the required training from the Department of Health, Pediatric First Aid and Infant/Child/Adult CPR. S1 stated staff did not complete 12 clock hours of continuing education.
