1901-G.-H.: Equipment

Not Met

1901-G.-H.: G. All equipment used by children shall be maintained in a clean and safe condition and in good repair.
H. Moveable equipment shall be secured and supported so that it shall not fall or tip over.

Finding:

1901-G.-H. Based on observations:

All of the center equipment used by children was not maintained in a clean and safe condition and in good repair. Specialist observed that the facility has a plastic Telephone equipment box that has become detached from the rear wall of the facility, the wall is located in the play yard area of the facility. The facility needs to have the box reattached to the wall to prevent children from accessing the box.

1903-E.5: Outdoor - Enclosed

Not Met

1903-E.5: Outdoor play space shall be enclosed with a permanent fence or other permanent barrier in a manner that protects children from traffic hazards, prevents children from leaving the premises without proper supervision, and prevents contact with animals or unauthorized persons.

Finding:

1903-E.5 Based on observations: Outdoor play space lacked enclosure with a permanent fence or other permanent barrier in a manner that protects children from traffic hazards, prevents children from leaving the premises without proper supervision, and prevents contact with animals or unauthorized persons. Specialist observed fence broken, unattached from the frame making fence to lean over into the playground unable to close properly. S1 stated that they are in the process of repairing the fence. Specialist suggested temporary fencing or barrier pending the repair.
