Not Met

Original cards shall be made available upon request. This training shall be approved by the Department of Social Services prior to acceptance.

Finding:

7312.E.1 (5312.E.1.) The Provider did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children have current approved Infant/Child/Adult certification in CPR. Zero of 4 staff had documentation of this certification. Three of four staff have current cards from an organization (International CPR Institute Inc.) not approved by Child Care Licensing.
