1507-B: Daily Attendance Records - Staff and Owners

Not Met

1507-B: A daily attendance record for all staff members and owners shall be maintained that shall:

1. include the first and last name of the staff member or owner and arrival and departure times;
2. accurately reflect the staff members and owners on the center premises at any given time; and
3. be used to document staff members and owners who leave and return to the center during the day

Finding:

1507-B Daily Attendance, based on record review and interview, The center's staff and owner's daily attendance record did not accurately reflect persons on the child care premises at any given time as evidenced by the director not being signed in or out any.

1707-A.1&2: Required Staffing - Director/ Director Designee

Not Met

1707-A.1&2: Each center shall have a qualified director or qualified director designee.

1. The director or director designee shall be an on-site, full-time staff person at the center during the day time hours of operation (prior to 9:00 p.m.).
2. The director or director designee shall be responsible for planning, managing, and controlling the center's daily activities, as well as responding to parental concerns and ensuring that minimum licensing requirements are met.

Finding:

1707 A Required Staffing, based on record review, The Provider did not have a qualified Director who is an on-site full time staff person at the center during the day time hours of operation (prior to 9:00 p.m.) and responsible for planning, managing, and controlling the center's daily activities, as well as responding to parental concerns and ensuring that minimum licensing requirements are met. As the director has not clocked in or out anytime since March, there is no proof director was on site. Assistant director is clocked in and out but there is no evidence of the times she was in assistant director capacity due to director not being clocked in or out.
