

## **Statement of Deficiencies**

### **1901-J.&K.: Items That Can be Harmful to Children**

**Not Met**

1901-J.&K.: Items that can be harmful to children, such as medications, poisons, cleaning supplies and chemicals, and equipment, tools, knives and other potentially dangerous utensils, shall kept in a locked cabinet or other secure place that ensures they are inaccessible to children.

1901-L: Plastic bags, when not in use, regardless of purpose or use, shall be made inaccessible to children.

#### **Finding:**

1901-J&K: Items that can be harmful to children, such as cleaning supplies, were not kept in a locked cabinet or other secure place that ensures they are inaccessible to children as Specialist observed bottles of bleach water solution in low cabinets in classroom #5 and #8 as well as in a basket on the floor in the restroom in the lobby area of the center.

---

### **1911-K: Hand Washing**

**Not Met**

1911-K: Staff and children shall wash their hands using soap at least at the following times: upon arrival at the center, before preparing or serving meals, before giving medication, after playing in water used by more than one person, after toileting, after helping a child use a toilet or changing diapers, after wiping noses or cleaning wounds, after handling pets and other animals, after playing in sandboxes, before eating meals or snacks, upon coming in from outdoors, after cleaning or handling garbage and anytime hands become soiled with body fluids, such as urine, saliva, blood or nasal discharge.

#### **Finding:**

1911-K Based on observations: Staff did not wash their hands with soap as needed. Licensing Specialist observed that staff did not wash their hands after each diaper change as Specialist observed S3 change a 2 year old boy's diaper and immediately assist a two year old girl is using the restroom without washing her hands with soap and water to doing so.
