Finding:

1707.A.1&2 Based on record review/interview on 05/16/2019, center failed to have a director or director designee that shall be an on-site, full-time staff person at the center during the daytime hours of operation (prior to 9 p.m.) as evidenced by the center's staff daily attendance log dated 04/08/2019 to 05/16/2019 indicate that S3 has not been an on-site, full-time staff person since 04/08/2019. Per S1's statement, S3 had a stroke on 04/08/2019 and has been trying to recover since that time and she does not know when S3 will be able to return. S1 stated that she is the Staff-in-Charge at this time and handles all day to day to operations.
