

Statement of Deficiencies

5327-L: Clean of Hazards

Not Met

5327.L. The center and yard shall be clean and free from hazards.

Finding:

7327.L. (Old Tag# 5327.L.) The center and yard were not free of hazards as specialist observed on the 3-4 year old play yard that there are wooden timbers in disrepair that hold in the soft surface. In some places there are nails sticking out of the timbers and also there are timbers joining that are warped and do not fully enclose the actual soft surface on the play yard.
