1501.A.: A center shall operate within the licensed capacity, age range, hours of operation and other specific services designated on its license.

#### **Finding:**

1501.A.: Operations: Based on observations on 5/23/19 at 12:15 PM the Director did not notify the Licensing Division prior to making changes that had an effect on the license as the provider is utilizing indoor space that was no previously approved by the Licensing Division. Specialist observed 14 children age 4 y/o in an unlicensed space with S6. S1 stated that she only utilized the space for nap time because she did not want the school aged children to disturb the 4 y/o while sleeping. S6 and the children vacated the room prior the Specialist leaving the center.
