

## ***Statement of Deficiencies***

### **1915-A: Health Services - Observation**

**Not Met**

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

#### **Finding:**

1915-A Based on record review: The provider did not document observations, when something is observed, noted on children upon arrival to the center. Results including an explanation from parent and/or child were not documented. Specialist observed that staff were completing observations but when they made any observations they failed to include an explanation from the parent or child as evidence by review of observation reports dated from 5/1/17-5/24/17.
