

Statement of Deficiencies

1903.C.: Free of Hazards

Not Met

1903.C.: Indoor and outdoor areas shall be free of hazards.

Finding:

1903.C. Based on record review/interview: The outdoor play area was not free of hazards as on 4/29/19 at 2:40 p.m., C1 sustained a cut/laceration to the index finger and thumb of his right hand after picking up a broken shard of glass on the ground in the outdoor play area. O1 sought medical treatment for C1 after hours to ensure no glass debris was left in the cut and to make sure stitches were not needed.
