

Statement of Deficiencies

1713.A.&B.&C.: Supervision

Not Met

1713.A.&B.&C.: A: Children shall be supervised at all times in the center, on the playground, on field trips, on non-vehicular excursions, and during all water activities and water play activities.

B: Children shall not be left alone in any room, (except the restroom as indicated in Subsection G of this Section or when being provided services by therapeutic professionals, as defined in §103), outdoors, or in vehicles, even momentarily, without staff present.

C: A staff person shall be assigned to supervise specific children whose names and whereabouts that staff person shall know and with whom the staff person shall be physically present. Staff shall be able to state how many children are in their care at all times.

Finding:

1713.A.&B.&C.: Based on review of records, videos, and interviews conducted on 5/29/2020: C1, a 2-year-old, failed to be under supervision at all times on 5/27/2020, when he was left on the playyard alone for approximately six minutes from 2:56pm until 3:02 pm, after his teacher, S11, and fellow classmates returned inside after play-time. At 3:02pm, S11 went back to the playyard and retrieved C1. As a result, S11 was suspended for two days.

Corrective Action Plan: S1 stated that on 5/27/2020, she distributed memos to her staff that covered the importance of the supervision of children. In addition, S1 intends to cover this topic during the center's quarterly staff meeting, which will be held by the end of June 2020. Documentation of the meeting will be maintained for Specialist to review at the next Licensing visit.
