

Statement of Deficiencies

1915-A: Health Services - Observation

Not Met

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915-A Based on record review of center's Daily Observation Log from 3/30/18 to present: The center did document observations of children upon arrival to the center, but the entries did not include explanations from parents and/or children.
