1509-A.9: Electronic Devices Policy

Not Met

1509-A.9: Electronic Devices Policy that provides that all activities involving electronic devices, including but not limited to television, movies, games, videos, computers and hand held electronic devices, shall adhere to the following limitations:

- a. Electronic device activities for children under age two are prohibited; and
- b. Time allowed for electronic device activities for children ages 2 and above shall not exceed 2 hours per day.

Finding:

1509-A.9 Based on observations: The Provider did not follow the Electronic Devices Policy as Electronic Devices were used by children under age 2. Specialist observed the children's show playing on the television in the Infant room of S1. S1 turned the TV off at the time. S3 stated she will have the TV removed from the room.

1903-C: Free of Hazards

Not Met

1903-C: Indoor and outdoor areas shall be free of hazards.

Finding:

1903-C Based on observations: The indoor areas are not free of hazards as Specialist observed the half-door to enter the Infant room to be in disrepair and a hazard. The top hinge of the door has become disconnected/pulled away from the wall. The door does not fully open and close easily. The door poses a hazard if it falls on children or children and staff attempt to exit the building in case of an emergency.
