

Statement of Deficiencies

713.A: Office of Public Health, State Fire, City Fire approval

Not Met

713.A: Current approvals by the Office of Public Health, Office of State Fire Marshal, City Fire (if applicable) and the Licensing Division shall be required before the expiration of an existing license.

Finding:

Provider lacked current approval from Office of State Fire Marshal.

1903-C: Free of Hazards

Not Met

1903-C: Indoor and outdoor areas shall be free of hazards.

Finding:

Based on observation: The indoor area was not free of hazards as evidenced by two hot pots on a stove in a kitchen, which is accessible to children. This is a burn hazard because the center's kitchen door remains open while food is being cooked.
