

Statement of Deficiencies

713.A: Office of Public Health, State Fire, City Fire, Office of Early Childhood approval

Not Met

713.A: Current approvals by the Office of Public Health, Office of State Fire Marshal, City Fire (if applicable), Office of Early Childhood and the Licensing Division shall be required before the expiration of an existing license.

Finding:

713.A Based on record review: The Provider lacked documentation of a current annual inspection and approval from State Fire Marshal. The date of the last valid approval is 6/2/15.

1507-E: Daily Attendance Records - Visitors

Not Met

1507-E: A daily attendance record for all visitors to include the name, date of visit, arrival and departure times, and the purpose of the visit.

Finding:

1507-E Based on record review: The Provider did not maintain documentation of a daily attendance record for all Visitor's to include first and last name, date of visit, arrival and departure times, and purpose of the visit.

1515-A.3: Releasing of Children

Not Met

1515-A.3: Written authorization signed and dated by the parent noting the first and last names of individuals to whom the child may be released other than the parents, including any other early learning centers, transportation services, and any person or persons who may remove the child from the center.

- a. The parent may further authorize additional individuals via a text message, fax or email to the center in unplanned situations and follow it with a written authorization.
- b. A child shall never be released to anyone unless authorized in writing by the parent.
- c. Any additions and deletions to the list of authorized individuals shall be signed and dated by the parent.
- d. The center shall verify the identity of the authorized person prior to releasing the child.

Finding:

1515-A.3 Based on record review: Provider released C1 to a school bus during the morning hours without written authorization from the parent allowing the child to be released to the school bus.

1915-A: Health Services - Observation

Not Met

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915-A Based on record review: The center documented scratches, bruises, and other marks observed on children when they arrived but failed to document explanations from the child or parent.
