

## ***Statement of Deficiencies***

### **1915.A.: Health Services - Observation**

**Not Met**

1915.A.: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

#### **Finding:**

**\*\*NEW\*\***1915.A. Based on observations/interview: At approximately 1:45pm, S1 failed to have documentation that upon arrival at the center, staff checked the physical condition of each child for possible signs of illness, infections, bruises or injuries. S1 stated the center has been open since January 2020 and staff does observe all children upon arrival at the center, but staff does not documented their observations or explanations from the parent or child.

Corrective Action Plan: S1 stated effective today, she will train all staff to document whether or not they have observed any signs of illness, infections, bruises, or injuries. Furthermore, all staff will document and include an explanation from the parent of child.
