

## ***Statement of Deficiencies***

### **1725.A.-C.: Medication Management Training**

**Not Met**

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

#### **Finding:**

1725.A.-C. Based on record review/interview(s): On 6/11/19 at 11:00am the provider did not have at least two staff members trained in medication administration whether the early learning center administers medication or not. 1 of 16 staff have documentation of this certification. S1 stated a certification class will be completed by 06/30/19 prior to current license expiration.
