Not Met

- 1725-A.-D.: A. All staff members who administer medication shall have medication administration training.
B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.
C. Such training shall be completed every two years with an approved Child Care Health Consultant.
D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-D. Based on record review:

The staff persons, S1 and S2, administering medication did not have current documentation of training in medication administration completed with an approved Child Care Health Consultant. Training is required every two years and the staff's training expired in August 2017. The center does not administer medication. The center has registered for the training on 7/14/18.
