

Statement of Deficiencies

1911.K.: Hand Washing

Not Met

1911.K.: Staff and children shall wash their hands using soap at least at the following times: upon arrival at the center, before preparing or serving meals, before giving medication, after playing in water used by more than one person, after toileting, after helping a child use a toilet or changing diapers, after wiping noses or cleaning wounds, after handling pets and other animals, after playing in sandboxes, before eating meals or snacks, upon coming in from outdoors, after cleaning or handling garbage and anytime hands become soiled with body fluids, such as urine, saliva, blood or nasal discharge.

Finding:

1911.K. Based on observations: Children did not wash their hands with soap and water as needed. Licensing Specialist observed 16 - Two year old children in the class of S3 and S4 did not wash their hands upon coming in from outdoors at 11:21 a.m. Specialist observed the use of hand sanitizer by staff.

1921.A.: Emergency Preparedness and Evacuation Planning

Not Met

1921.A.: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds, including food and formula;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

Finding:

1921.A. Based on record review: S1 failed to conduct and document practice drills at least twice per year.
