

## ***Statement of Deficiencies***

### **1917-K: Emergency Medication Plan and Records**

**Not Met**

#### 1917-K: Emergency Medications

1. Children who require emergency medications, such as an EpiPen or Benadryl, shall have a written plan of action that shall be updated as changes occur or at least every six months, and shall include:

- a. method of administration;
- b. symptoms that indicate the need for the medication;
- c. actions to take once symptoms occur;
- d. description of how to use the medication; and e. signature of parent and date of signature.

2. Medication administration records for emergency medication shall be maintained and include the following:

- a. symptoms that indicated the need for the medication;
- b. actions taken once symptoms occurred;
- c. description of how medication was administered;
- d. signature of administering staff member; and
- e. phone contact with the parent after administering emergency medication.

#### **Finding:**

1917-K Based on record review: there was no emergency medication written plan of action for C9. C9 has an EpiPen for allergies.
