Finding:

1901.J. Items That Can be Harmful to Children. Based on observations: On 6/13/19 at 10:00 AM, Specialist observed items that can be harmful to children, such as cleaning supplies, were not kept in a locked cabinet or other secure place that ensures they are inaccessible to children. Specialist observed a container of Lysol wipes in an unlocked cabinet in the changing table in the classroom of S8 that was accessible to 6 one year old children. S1 moved the container of Lysol wipes out of the reach of the children prior to Specialist exiting the center.
