

## Statement of Deficiencies

### 1723.A.&B.: CPR Certification

**Not Met**

1723.A.&B.: A. Infant and child CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR through training approved by the department.

#### Finding:

1723 A & B Based on record review: There was no documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in infant, child and adult CPR through training approved by the department. 3 of 8 staff present had documentation of this certification. According to S1 a class has been scheduled for July 1, 2019. The Licensing Specialist reviewed these records at approximately 10:39 am.

### 1723.C.: Pediatric First Aid

**Not Met**

1723.C.: Pediatric First Aid. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in pediatric first aid through training approved by the department.

#### Finding:

1723.C. Based on record review:

There was no documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in Pediatric First Aid through training approved by the department. 3 of 8 staff present had documentation of this certification. According to S1 a class has been scheduled for July 1, 2019. The Licensing Specialist reviewed these records at approximately 10:30 am.
