

Statement of Deficiencies

1723.A.&B.: CPR Certification

Not Met

1723.A.&B.: A. Infant and child CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR through training approved by the department.

Finding:

1723.A.&B.: Based on record review: on 6/16/2020 at 10:20am, the provider failed to have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in infant and Child CPR through training approved by the department. 3 of 9 staff had documentation of this certification.

Corrective Action Plan: Effective 6/16/2020, S1, the director stated she will schedule an Infant and Child CPR training for all staff with an approved trainer by 07/15/2020.
