Finding:

1915-B.: Based on record review and interview(s) on 6/18/18, the center failed to report and document incidents, injuries, accidents, illnesses, and unusual behaviors as S6 stated on an unspecified date, C3 fell while playing on the center playground. Although, S6 stated there were no injuries due to the fall, S6 failed to document and report the incident to C3's parent. LS did not observe any information in concerns to C3 falling within center records.
