1811.A.&B.: Requests for CCCBC-Based Determinations of Eligibility

Not Met

1811.A.&B.: A. An early learning center or an entity identified in §1809 shall request and obtain from the department a new CCCBC-based determination of eligibility for child care purposes for each required person:

1. prior to the person being present or performing services at the center when children are present; and
2. not less than once during a five-year period.

B. An early learning center or an entity identified in §1809 shall not be required to request and obtain from the department a new CCCBC-based determination of eligibility for child care purposes for a required person, and instead shall be able to request and obtain from the department the person's CCCBC-based determination of eligibility provided to another in-state child care provider or entity identified in §1809, if:

1. a child care provider within the state or an entity requested and obtained a CCCBC-based determination of eligibility for child care purposes from the department for the person within the past five years, while the person was seeking employment or employed by a in-state child care provider or seeking to provide or providing services at an early learning center in Louisiana for an entity;
2. the department provided to the initial requesting child care provider or entity a CCCBC-based determination indicating the person was eligible for child care purposes; and
3. the person is still employed by a child care provider within the state, or is still providing services in an early learning center within the state for an entity, or has been separated from a child care provider within the state or an entity for less than 180 consecutive days.

Finding:

1811.A.&B.:Based on record review: Specialist reviewed the center's CCBC Licensing Report at 11:00 am and observed S10's determination for eligibility returned eligible on 5/1/2019. Specialist did not observe that S10's CCBC history stated provisional at any point for S10. Specialist observed S10's orientation form that stated that S10's date of hire was 4/15/2019. Specialist observed provisionally employed staff monitoring logs for S10 dated 4/16/2019, 4/17/2019, 4/23/2019, 4/24/2019, 4/25/2019, 4/26/2019 and 4/29/2019. Specialist also observed S10's sign in card for April 2019 and observed S10 present in the center prior to the center receiving the eligible status for S10.
