

Statement of Deficiencies

1709.B.1.-3.: Director Qualifications

Not Met

1709.B.1.-3.: The director/director designee shall have documentation of at least one of the following upon date of hire as director or director designee:

1. an early childhood ancillary certificate and one year of experience in teaching or care in a licensed early learning center, or comparable setting, subject to the approval by the department;
2. a national administrator credential and one year experience in teaching or care in a licensed early learning center, or comparable setting, plus 6 credit hours or 90 clock hours of training in child care, child development, early childhood, or management/administration, subject to approval by the department; or
3. three years of experience as a director or staff in a licensed early learning center, or comparable setting, subject to approval by the Licensing Division; plus 6 credit hours or 90 clock hours of training in child care, child care development, early childhood, or management/administration approved by the department.

Finding:

1709.B.1.-3. Based on record review: The Center did not have documentation that S1 qualified as Director. S1 lacked documentation of one year work experience, although S1 did have copy of ancillary certificate and a letter verifying four months of employment at a licensed child care center.

1723.A.&B.: CPR Certification

Not Met

1723.A.&B.: A. Infant and child CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR through training approved by the department.
B. Adult CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR through training approved by the department.

Finding:

1723.A.&B. Based on record review:
Center did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in infant and child CPR through training approved by the department. Zero of two staff had documentation of this certification.

1723.C.: Pediatric First Aid

Not Met

1723.C.: Pediatric First Aid. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in pediatric first aid through training approved by the department.

Finding:

1723.C. Based on record review:
Center did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in Pediatric First Aid through training approved by the department. Zero of two staff had documentation of this certification.

1725.A.-C.: Medication Management Training

Not Met

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.
B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.
C. Such training shall be completed every two years with an approved child care health consultant.

Finding:

1725.A.-C. Based on record review: Whether the center is administering medication or not, the early learning center did not have at least two staff members trained in medication administration and at least one on the premises. Zero staff had this training.

1901.Q.: The Safety Box

Not Met

1901.Q.: The center shall post a copy of the current The Safety Box newsletter issued by the Louisiana Office of the Attorney General and shall immediately remove from the early learning premises any items listed as recalled.

Finding:

1901.Q. Based on record review: The Provider did not post most recent 'The Safety Box' newsletter issued by the Louisiana Office of the Attorney General. CORRECTED
