

Statement of Deficiencies

713.A: Office of Public Health, State Fire, City Fire, Office of Early Childhood approval

Not Met

713.A: Current approvals by the Office of Public Health, Office of State Fire Marshal, City Fire (if applicable), Office of Early Childhood and the Licensing Division shall be required before the expiration of an existing license.

Finding:

713.A Based on record review: The Provider lacked documentation of a current annual inspection and approval from State Fire Marshal. The date of the last approval was not available. S4 stated, and the center's visitor log verified, the State Fire Marshal inspected the facility on 5/24/18, but provider had no documentation of such. S4 stated the State Fire Marshal was due to return to reinspect the fire extinguishers and the fire alarm system, but has not returned to date.

1725-A.-D.: Medication Management Training

Not Met

1725-A.-D.: A. All staff members who administer medication shall have medication administration training.

B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.

C. Such training shall be completed every two years with an approved Child Care Health Consultant.

D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-D. Based on record review: The provider did not have at least two staff members trained in medication administration whether the early learning center administers medication or not.

1907-F.1-5: Prohibited Items

Not Met

1907-F.1-5: Prohibited Items

1. Infant walkers;
2. Toy chests, storage bins and other equipment with attached lids;
3. Latex balloons for children under age 3;
4. Trampolines; and
5. Culverts.

Finding:

1907-F.1-5 Based on observations: The provider has a storage bin/chest with an attached lids located in the outdoor play area along exterior wall near the walkway as one enters the play yard.

1911-G: Pacifier Attached

Not Met

1911-G: Pacifiers attached to strings or ribbons shall not be placed around the neck or attached to the clothing of a child.

Finding:

1911-G Based on observations: A pacifier that was attached to strings or ribbons was attached to the clothing of a child. Specialist observed C1 to have a pacifier attached to a ribbon which attached to the clothing. Corrected at the time of observation by S2.

1915-A: Health Services - Observation

Not Met

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915-A Based on record review: The provider did document observations, when something is observed, noted on children upon arrival to the center. Results including an explanation from parent and/or child were not documented.

Statement of Deficiencies

1919-A&B: Food Service and Nutrition - Menu

Not Met

1919-A&B: All meals and snacks provided by the center, and their preparation, service and storage, shall meet the requirements for meals of the U.S. Department of Agriculture (USDA) Child and Adult Care Food Program (CACFP) and 7 C.F.R. 226.20 and the Louisiana Sanitary Code, Title 51, Part XXIII, found at LAC 51:XXXIII. For the current CACFP meal patterns, contact the Louisiana Department of Education, Division of Nutrition Support.

The weekly menu shall:

1. be planned for each day of the week and list the specific food items served;
2. be prominently posted by the first day of each week and remain posted throughout the week; and
3. have substitutions or additions posted on or near the menu.

Finding:

1919-A.& B. Based on observation: The Current weekly menu listing specific food items served for each day of the week was not prominently posted by the first day of each week and remain posted throughout the week. The menu for the week of 6/10/18 to 6/15/18 was posted. The lunch served on 6/19/18, red beans with sausage over rice, apple slices and milk did not match the posted lunch menu which specified chicken and sausage pasta, broccoli, pineapples with milk.

1921-C: Evacuation Pack

Not Met

1921-C: Evacuation Pack. The center shall have an evacuation pack, the location of which is known to all staff, that at a minimum shall contain:

1. a list of area emergency phone numbers;
2. a list of emergency contact information and emergency medical authorization for all enrolled children;
3. an emergency pick up form;
4. first aid supplies, hand sanitizer, wet wipes, and tissue;
5. diapers for children who are not toilet trained and plastic bags for diapers;
6. a battery powered flashlight and radio and batteries;
7. food for children under the age of 4, including infant food and formula; and
8. disposable cups and bottled water.

Finding:

1921-C Based on observations: The provider failed to have a completed evacuation pack. The provider failed to have the following: first aid supplies, diapers for children who are not toilet trained and plastic bags for diapers, disposable cups and bottled water.

1921-E: Tornado Drills

Not Met

1921-E: Tornado drills shall be conducted at least once per month in the months of March, April, May, and June at various times of the day necessary to include all children and shall be documented.

Finding:

1921-E Based on record review: The provider did not have documentation of tornado drills that were conducted at least once per month during the months of March, April, May, and June. Date of the last tornado drill was 10/17/17.
